A. Brief outline of the company's CSR policy

The Company, since its inception believed in the guiding principle "Caring the Community" and as a responsible corporate, it always believe in improving the quality of life of communities interfacing with the Company. We have served disadvantaged communities in and around our factories premises directly or through Twenty20 Kizhakkambalam Association through its focus on Eradicating Hunger and Poverty, Education and Skill Development, ensuring good Health & Wellness, Environment Sustainability and making available Safe Drinking Water and contributed towards national causes. We have also been successful in inspiring stakeholders in participating in our CSR journey. The Projects undertaken has been a hall mark and much appreciated by the community and was within the broad framework of Schedule VII of the Companies Act, 2013.

Our vision is - "to effectively contribute to the social and economic development of the communities in which we operate. In doing so we intend to build a better, sustainable way of life for the weaker sections of society and raise the country's human development index".

Our CSR policy includes:

1. To pursue a corporate strategy that enables realization of the twin goals of shareholder value enhancement and societal value creation in a mutually reinforcing and synergistic manner.

2. To implement Social Investments/ CSR programmes primarily in the economic vicinity of your Company's operations with a view to ensuring the long term sustainability of such interventions.

3. To contribute to sustainable development in areas of strategic interest through initiatives designed in a manner that addresses the challenges faced by the Indian society especially in rural India.

4. To collaborate with communities and groups to contribute to the national mission of eradicating poverty and hunger, especially in rural areas, through superior farm and agri-extension practices, soil and moisture conservation and
watershed management, conservation and development of forest resources, empowering women economically, supplementing primary education and participating in rural capacity building programmes and such other initiatives.

5. To sustain and continuously improve standards of Environment, Health and Safety through the collective endeavour of your Company and its employees at all levels towards attaining world class standards and support other programmes and initiatives, internal or external, for the prevention of illness and combating of diseases as may be considered appropriate from time to time.

6. To encourage the development of human capital by expanding human capabilities through skills development, vocational training etc. and by promoting excellence in identified cultural fields.
