The Audit Committee was of view that the rationale and benefits of the Scheme justify the proposed arrangement/ demerger.

3.3 SYNERGIES OF BUSINESS OF THE COMPANIES INVOLVED IN THE SCHEME

The Audit Committee noted the following:

The demerger of the Demerged Undertaking of the Demerged Company and vesting into the Resulting Company would create economies of scale.

The demerger would result in achieving efficiency in operational processes, implementation of intendent strategies specifically designed for each business and in optimizing profitability of each of these entities.

Combining similar kind of business will enable the companies to more focused approach, operational efficiency, cost saving, bigger market presence etc are envisaged.

As consideration for the demerger of Demerged Undertaking, Resulting Company shall issue and allot New Equity Shares to the equity shareholders of the Demerged Company based on Share Entitlement Ratio in proportion to their shareholding in the Demerged Company, in the following manner:

Upon the effectiveness of this Scheme and in consideration of the transfer and vesting of Demerged Undertaking into Resulting Company pursuant to provisions of this Scheme, Resulting Company shall, without any further act or deed, issue and allot equity shares to the equity shareholders of the Demerged Company, or to their respective heirs, executors, administrators or other legal representatives or the successors-in-title, as the case may be, whose names appear in the Register of Members as on the Record Date in the following ratio:
