

Kitex Garments Limited, founded in 1992 by Sabu M Jacob, is one of India's largest exporters of knitwear, particularly specializing in baby and children's apparel. The company operates out of its base in Kizhakkambalam, Kerala, and has grown to become one of the most significant players in the global garment manufacturing industry, particularly in the children's wear segment. Kitex Garments Limited operated under a yarn to garments model as a fully export-oriented unit, serving major clients across the USA and European markets, making it a significant player in the international garment industry.

The company has earned several accolades for its business achievements, sustainability efforts, and quality production. Kitex Garments is also recognized for its innovation in the garment manufacturing sector. Kitex Garments is listed on the BSE (Bombay Stock Exchange) and NSE (National Stock Exchange), and it has shown consistent growth in its financial performance over the years.

Kitex Garments has made substantial investments in improving the sustainability of its operations. Kitex is known for its employee-friendly policies, including providing fair wages, excellent working conditions, and healthcare benefits. The company has contributed to the development of its local community by investing in education, healthcare, and social infrastructure.

Kitex Garments is focused on expanding its production capacity to meet growing demand from global clients. The company is also making efforts to diversify its product range and explore new markets.
